13th May 2016

Dear Parents,

Giant Sleepover, Saturday 18th June 2016

The Governing Body is pleased to announce we would like to host the giant sleepover, which is an important event in our children's calendar! We would like to host the event for Reception through to Year 6 children. If EYFS children would like to attend, we would ask that a parent accompanies them.

I met with the children during an assembly a couple of weeks ago, as I wanted to make sure we have arranged the activities that the children enjoy. The children are very excited!

I will send more details to you two weeks before the event, but just to outline our plans, we will start the event at 4pm on Saturday 18th June. We will be setting up the tents, completing fun outdoor activities, having a dinner together in the school canteen, having a talent show, and watching films (both U certificate) in school. We hope to have two large tents set up on the front lawn, one for boys and one for girls. The children will be directly supervised by a DBA checked adult, responsible for each tent. This adult will be based within the central section of the tent, with two groups either side. I will ensure the school gates are locked overnight. If you wish to join us for the sleepover, you will be more than welcome.

Please note that all governors are required to hold current DBS checks, and at least one of our governors on site holds a first aid certificate. I will be on-site at all times.

I will ensure that you have all received a parent consent form two weeks before the event. If you have any queries, please do chat with me at school, or telephone me on 016973 71234 (evenings).

Kind regards,

Amanda Leader, Vice Chair and Parent Governor
